

# Discussion Meet Questions

## 2011

1. Are the current and proposed Renewable Energy Policies beneficial to all segments of American agriculture? Why or why not?
2. How can we convince the public that the animal agriculture industry balances production efficiencies with the public's expectations of animal care?
3. Have farmers and ranchers effectively utilized social media to educate and influence the public? What strategies can be implemented to expand the interaction between producers and consumers?
4. How do we capitalize on the growing world demand for agricultural products?
5. What role, if any, should agriculture play in addressing health and obesity issues?
