Dear Iam:

Thank you for your interest in the California Farm Bureau's Young Farmers and Ranchers (YF&R) program. YF&R is designed to facilitate professional development and social networking opportunities among young farmers, ranchers and people who work in agriculture related jobs. YF&R provides an opportunity for agriculturists between the ages of 18-35 to connect with individuals who have the same professional interests and challenges.

The program is structured at the county, state and national levels. Our YF&R committee meets on a regular basis to discuss issues affecting agriculture and to develop methods for promoting our county's agriculture industry.

You can receive more information about the opportunities within the county by contacting the **Leaders County** Executive Director at **(123) 456-7894**, Young Farmers and Ranchers County Chair at **(132) 456-5498** or the State Young Farmers and Ranchers Program Director at **(132) 541-5893**.

The biggest advantage to participating in the YF&R program is the chance to meet people from all parts of California. This opportunity is made available during State YF&R sponsored events, such as the YF&R Leadership Conference, Legislative Program, Discussion Meet, Outstanding Young Farmers & Ranchers Achievement Award and other regional or county events. The caliber of individuals participating in the program is very high. Everyone reaps the benefits from the varied backgrounds and experience that this group has to offer.

Be sure to visit our web site at www.cfbf.com to be kept up-to-date on all the news and activities in the Young Farmers and Ranchers program.

I am confident that there are many rewards awaiting you within YF&R. If you have any questions about involvement in the program, please contact me. I look forward to working with you in the future.

Sincerely,

Jamie Chair, Chairperson
Leaders County Young Farmers and Ranchers
