MEMBERSHIP BENEFIT PROPOSAL FOR LOCAL BUSINESSES
INTRODUCTION

On behalf of AirMedCare Network, thank you for the opportunity to provide details and discounts regarding our Emergency and Non Emergency membership programs for local CA owned businesses through CA Farm Bureau.

With operations in over 320 locations throughout 38 states, our air ambulances can provide medical transport that dramatically reduces travel time to an emergency treatment facility.

AMCN understands your primary goal is to ensure your employees receive the highest level of care in their time of need. AMCN providers consist of highly skilled nurses, medics and pilots ready 365 days a year.

Highlights include:

- The largest emergency air medical membership program in the U.S.

- Household membership plan covers all members under the defined residential roof.

- World Class sales team and call center ensuring your employees receive the support they deserve.

Thank you for taking the time to review our Business Proposal for local CA owned businesses.

We are confident AMCN can provide the financial peace of mind your employees deserve.

We welcome any questions and look forward to further discussions.

Thank you,

Jennifer Hart
Membership Manager
30% of the U.S. population relies on air medical transport for access to Level I or II trauma centers within the “Golden Hour”

~85 million Americans can access a Level I or II trauma center within 60 minutes only if they are flown by helicopter

30+ million Americans cannot access a Level I or II trauma center within 60 minutes, even by air. They must rely on air medical transportation for timely access to medical care; most of this population lives in rural areas.

ABOUT AIRMEDCARE NETWORK

AirMedCare Network (AMCN) is an alliance among Air Evac Lifeteam, Guardian Flight, Med-Trans Corporation, and REACH Air Medical Services, creating America’s largest air ambulance membership network with 150 years of combined experience. Membership with AMCN eliminates out-of-pocket (OOP) costs for your employees and all those independently covered under AMCN.

AMCN benefits include:

- No out-of-pocket expenses associated with flight when flown by a participating AirMedCare Network provider, even if a claim is denied by insurance.
- Membership extends to the entire household. Full-time undergraduate college students can be covered under their parents’ membership if their primary residence is still with the parents.
- No limits to the number of transports a member may take each year.
ACCIDENTS DON'T HAPPEN ON A TIMELINE. 
AMCN FLY-U-HOME HAS YOU COVERED.

Recover closer to home
If you or a member of your family are ever admitted to a hospital more than 150 nautical miles from home, you'll have the option to be transported by a medically equipped aircraft to your local hospital of choice. You can travel without worry, knowing you have access to a fleet of medically equipped, private aircraft—flying ICUs.
Fly-U-Home also provides access to medical referrals, consultation, and prescription assistance. Additionally, members have access to Fly-U-Home's Logistics Center for information about how and where to obtain medical care while at home or while traveling, including medical monitoring and coordination with local healthcare professionals.

Affordable Peace of Mind
Other bedside to bedside services charge upwards of $300 but Fly-U-Home is affordably priced at $149 per year (with discounts available to existing AMCN members). What's more, membership covers the entire household.

Joining is easy!
Call 1-800-793-0010 or visit www.airmedcarenetwork.com.

How Does It Work?

1. Call
A simple call will begin the process of getting you to the hospital of your choice. All you need is to confirm that the trip requires medical escort and that you will remain a hospitalized inpatient upon landing.

2. AMCN Handles Everything
We're there every step of the way. We'll get you from hospital A to hospital B, confirm bed availability, coordinate with your admitting physician, and arrange for the proper aircraft and crew for your treatment and transport.

3. Recover with Peace of Mind
As a member, you will never see a bill for your flight. These flights typically cost tens of thousands of dollars, and are rarely covered by insurance carriers. With membership, you can focus on recovery, not finances.
HOW AMCN WORKS

With an active AMCN membership plan, your participating employees and their household members can have peace of mind knowing they’ll have no out-of-pocket expenses if flown by an AMCN participating provider.

HOW FLY-U-HOME WORKS

Transfer back to a local hospital of your choice to recover (sending hospital has to be 174 miles from residence) and you make the call before being discharged.

Covers patients in 48 States and provides transport of Mortal Remains
