

2021 California Farm Bureau Farm Dog Contest Rules

Deadline: September 17, 2021 (postmarked or entered online)

Am I eligible?

The contest is open to anyone who owns a farm dog and is one of the following:

- an individual member of a county Farm Bureau in California.
- an individual designated by an entity that is a member of such a county Farm Bureau to participate individually in the activities and benefits derived from that membership.
- a minor child or ward of either of the above-described individuals.

Employees (and their immediate family members) of California Farm Bureau (CAFB), its affiliated companies, or county Farm Bureaus may not participate.

What is the contest based on?

The contest is based on stories describing and photos depicting the farm dog's role in working alongside California farmers and ranchers in their day-to-day operations. Include information on how he or she enriches your life and that of your family while supporting you, the farmer or rancher, in doing your job. List any special skills your dog has, or tricks he/she can perform as well as any non-farm-work activities you or your family and your dog do for fun.

How many stories may I submit?

An entrant may submit only one story with up to four accompanying photos.

What are the prizes?

- One Grand Prize winner - \$1,000
- One First Place winner - \$500
- One Second Place winner - \$250
- One Third Place winner - \$100

Each entrant is eligible to win only one prize per contest year.

Contest Rules

- Story and photo submissions must highlight California farm dogs working in agriculture as described above in what the contest is based on.
- A story must have no fewer than 250 and no more than 500 words.
- Accompanying photos must have been taken in 2020 or 2021.
- Photos may not have been or be entered in any other contest.
- Photos must accurately reflect the subject matter and the scene as it appears. Photos digitally altered beyond standard optimization (e.g., overly altered or filtered) will be disqualified. Sepia-toned and black-and-white photos are acceptable.
- A completed entry form must be attached to each story submission. Incomplete or illegible entry forms will not be accepted.
- If applicable, the model release portion of the form must also be completed and signed by each identifiable person in the photograph; a parent or guardian must sign for a minor. Online entrants will be prompted to print the form to be signed and submitted by email, fax, or mail.

- **All photos become the property of CAFB and will not be returned.**
- **CAFB may, without offering any consideration to or obtaining the further permission of its submitter, use any submitted story or photo for any purpose, such as publishing it in *Ag Alert*[®] newspaper or *California Bountiful*[®] magazine, posting it on CAFB websites or social media, reproducing it for Farm Bureau organizational use, or selling it at a county Farm Bureau auction.**
- All decisions by CAFB as to the interpretation of these rules or the judging of story submissions are in its sole discretion and final.

Printed Story and Photos (mailed)

- Photos must be at least 5 x 7 inches but no larger than 8½ x 11 inches, unmatte and unframed.
- Photos must be printed at the highest-quality printer setting and on photographic paper.
- Turn off the date stamp option on your camera. A photo on which a date stamp or photographer's name is visible will be disqualified.

Tips for best print quality:

- Take digital images to a commercial photo finisher (many retail stores have photo centers) and request a print size from 5 x 7 inches to 8½ x 11 inches.
- When printing photos on an in-home inkjet or laser printer, use "best" quality photo print setting (see your printer's instruction manual).

Digital Story and Photos (submitted online at cfbf.com/farmdogcontest)

- Story submissions must be a total of 250 and no longer than 500 words.
- Photos must have a resolution of 6 megapixels or greater and be in .jpg format.
- Submitted photos should at a minimum be 300 dpi at 10 inches wide. The file size should be about 8-10 MB and no less than 6 MB.
- Images from mobile devices that adhere to the resolution requirement (see "Image quality" below) may be submitted; otherwise, these images should be printed and submitted as described above in **Printed Story and Photos (mailed)**.
- Turn off the date stamp option on your camera. Photos on which a date stamp or photographer's name is visible will be disqualified.
- All digital photos must be in .jpg format.
- Images not meeting these specifications will be disqualified.

Image quality:

- Set your camera or mobile device to the highest image-quality setting. High-resolution settings may vary depending on brand, so check the documentation that came with your device. To ensure print standards and quality, submit images as high-resolution files. If shooting in RAW, export as a high-resolution .jpg (300 dpi) via your image editing software.
- Resolution may be calculated by multiplying the pixel width of the image by the pixel height. For example, a photograph taken with a 6-megapixel camera set for highest resolution and best quality produces images of about 2832 pixels by 2128 pixels, which are acceptable under the rules (2832 x 2128 = 6 million pixels). Digital images must be of sufficient resolution to reproduce well on the printed page.
